

Clear Health Direct Primary Care

Patient Portal Instructions

New Patients: Log into <https://www.clearhealthdpc.com> and complete the registration process (4 steps)

You will be sent an email to create a Password for the Patient Portal

1. Please Complete the 'Accounts Details' section

You are now logged into the Patient Portal

Welcome to the Patient Portal, where you can view or update your records and easily and securely communicate with Clear Health Direct Primary Care. Use the links provided to:

- View or change your contact and insurance information
- Use the secure messages system to communicate with your medical provider
- Schedule a medical appointment
- View your medications and request refills
- View or update your allergies and intolerances
- View and update basic vitals like blood pressure and weight
- View or update your vaccine record
- Designate a preferred pharmacy

We encourage you to have a look around to make sure that your information is up-to-date.

 Please visit the Forms and Questionnaires page and complete the required Notice of Privacy Practices and Acknowledgement

2. Forms & Questionnaires

Please ensure all new patient forms are filled out. *Remember to Sign & Submit &/or Save*

If you are a Medicare patient, please review and sign the Medicare Private Contract form.

Forms & Questionnaires

New Patient forms

All new patients should complete these forms before they sign up. This will help us understand your health history and provide context going into the first visit. Please complete the "Authorization to Release Medical Records" form so we can begin requesting records from your previous primary care office and specialists.

Thanks in advance for taking the time to help us get to know you.

START + Authorization to Release Medical Records

START + HIPAA Privacy Authorization Form

START + Consent for Telehealth Services

START + Medical History

START + New Patient Intake - Social History

Medicare patients only

All medicare patients should be aware that our membership fee and in office services will not be covered by medicare. We can still use your medicare for labs, imaging, prescriptions, and specialists if you would like to. Please fill out the form below to learn the legal details and proceed with our membership.

START + Medicare Private Contract

Mental Health

If you plan on addressing mental health before our visit, please fill out the appropriate form before each visit.

GAD-7: Anxiety/Stress

6. My Vaccine Record

Please record your vaccines by clicking the button next to its name on the list. Please enter information and ensure that the DATE of immunization is entered accurately.

My Vaccine Record

Below is the vaccination record that we have on file for you. The vaccine chart lists each common vaccine type on its own row with icons on the right representing the vaccination schedule. For example, the Hepatitis B vaccine is given in three stages: a first dose as an adult; a booster shot one month later; and a second booster about five months after that. For non-scheduled vaccines (like the flu vaccine), the chart always shows one empty slot for a new entry.

We will automatically add any vaccine that you receive through our office, or you can request to add vaccines you've received elsewhere by clicking on the grey icon  representing an empty vaccine record. Green icons  show vaccines that we have on file for you, while orange icons  indicate vaccines that you have requested to be added, but that have not yet been reviewed and approved. After requesting that a vaccine be added, please supply supporting documentation to our office.

To see Vaccine Information Statements and vaccine schedules, as well as more information about vaccination, visit the Centers for Disease Control and Prevention website.

[PRINT VACCINE REPORT](#) 

Your Vaccine History

Adacel (Tetanus/ Reduced Diphtheria Toxoids And Acellular Pertussis Vaccine)	
COVID-19 Janssen (Johnson & Johnson)	
Covid-19 MODERNA	
Covid-19 PFIZER	
Decavac (Tetanus/ Diphtheria Toxoids)
